

World inventions

Brief

The “Little Inventor Contest” is your child’s opportunity to showcase their talent!

Contest categories are based on the art elements of shape, color, and texture. As well as the categories of sensory tools and art mediums.

We encourage you and your child to be creative. Your child’s potential to create is unlimited. Explore and have fun!

Instructions

1. Select a category or more to submit your child’s creation. Tune into our discussion session for more details of the category!
2. Post a picture and include a brief description or comment.
3. Have fun

Criteria

1. The submission deadline for each category is Thursday at 9pm
2. Ithra team will nominate the World Invention creations.
3. Login on the summer camp website Friday between 6pm-8pm to vote!
4. The recognitions of the most votes will be announced on the camp forum on Saturday 11am.
